Dear John:

Please find enclosed the evaluation results of your program, "Tips for Teambuilding" which you presented to our group on May 26th.

As you can see the group was thoroughly impressed with your sense of humor, message and the style in which it was delivered. One of our VP's commented to me, "I laughed so hard, I had tears running down my legs!"

VERY KINDLY,

We found your presentation to be entertaining, motivational with great "take backs" for the workplace. Thank you so much for the tremendous job you did in reaching this audience of healthcare professionals!

Also, please find enclosed the agenda for our Clinical Educator's Summit taking place October 21st at the Embassy Suites in Blue Ash (4554 Lake Forest Drive.) You are scheduled as our first presenter for one hour beginning at 8:15 a.m. Please complete the enclosed "Biographical Data Form" as we are applying for Continuing Ed credit, and return with a contract for the above date in the envelope provided.

This audience in October will be comprised of approximately 100 -110 Clinical Educator's, Nursing Unit Based Educators and Senior Nurse Executives. Frankly, they can all use a laugh....not to mention your teambuilding concepts. Please feel free to contact me with any questions and thank you again for the great presentation.

Sincerely,

Anita L. Klawitter
