John Wagner "WAGS"  
500 General Drive  
Ft. Wright, KY 41011

Dear Mr. Wagner,

I want to thank you for speaking at our opening day for teachers. They loved you. The teachers thanked me continuously for having you. Your informational approach using humor set the stage for my teachers to teach with high expectations and using the "people skills" to work with students.

I know that you have influenced our year in many positive ways. Thank you very much and I will be contacting you again in the future to impact our teachers.

Sincerely,

Handwritten signature of Kimberly Banta.
