Dear Mr. Wagner,

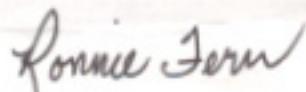

Thanks for an outstanding program. Your unique ability to keep us laughing and still convey motivating, inspiring information is amazing.

Several staff members have told me this was the best opening day we have had. Every school I walk into the staff members ask me, "Where did you get that outstanding speaker?"

I have had the opportunity to hear several professional speakers during my 37 years<sup>1</sup> tenure in the education business, including national, state, and local, but I can honestly say, you are the best!

Thanks for making our day.

Sincerely,

Ronnie Fern
