Dear John:

It's hard to believe that December is here and I am just now writing you a much deserved "thank you" for the wonderful inservice presentation on our first day of school for staff in August.

First, let me say that your presentation delivered the message in such an upbeat and positive manner that staff is still commenting. I can't begin to tell you how many staff are still approaching with comments on how much they enjoy your presentation and thanking me for such a wonderful first day. It was a tough group to please and you did it with ease and at the end of a very long day. Your humor and interaction with the audience was delightful and with all that you delivered a strong message. You ended our day on a positive note and everyone left with a smile. It was very powerful!

Thank you John for spending time with us and starting our year with such enthusiasm. Your presentation is both entertaining and empowering. We hope to have you join us again.

Sincerely,

Bev Smith, Director
Children's Services
