Dear John,

John, I just wanted to say thank you very much for the two outstanding presentations you did for our group. We have had speakers at our meetings for over 15 years and your presentation was by far one of the best! Many of our franchisees came up to me later and said the same thing. There's nothing like a good belly laugh to start the day off with! Thanks again for your humor and message.

Sincerely,

Dean H. Crawford
Executive Vice President
