Dear John:

Thanks for your wonderful, uplifting, humorous keynote address! Your humor, sensitivity, and personal interaction with the audience "set the stage" for an enlightening, educational, and enjoyable conference. Your message and humorous delivery were appreciated by all 120 attendees, and you have the ability to break down barriers and encourage interaction – a great way to begin a three-day conference event!

The audience enjoyed your presentation, as well as the entire conference. I was overwhelmed when the final luncheon concluded with a standing ovation for an outstanding conference. Thanks for your help in contributing to our success!

Sincerely,
