Dear John:

Thank you for speaking to the Association for Healthcare Philanthropy members in New Orleans. It was a true pleasure to bring a fellow Kentuckian to the Big Easy, who made me proud!

We received nothing but raves from all who attended. We had an evaluation on each table and will share the results with you when we receive them. I do not think you will be surprised to learn that we expect them to be stellar. A standing ovation is usually a pretty good sign that you were well received.

Hopefully, many took your flyer so others around the country will be able to spend an hour or so laughing with you. You were a great start to the final day of the 2004 AHP Conference.

Sincerely,

Barbara J. Cunningham

Chair Of AHP 2004 Conference
